MEMORANDUM FOR: Chief, Printing and Photography Group, OL  
THROUGH: Acting Chief, Operations Group, FBIS  
FROM:   
Chief, Daily Reporting Division, FBIS  
SUBJECT: Service During CPSU Conference

STAT

1. I'd like to extend sincere thanks to you and your staff for the extraordinary assistance rendered us during the recently concluded 19th All-Union CPSU Conference. Your cooperation in publishing a series of supplements over five days allowed us to comprehensively report on developments at this landmark political event in the Soviet Union, a subject of intense interest throughout the Intelligence Community. The fact that you were able to publish these lengthy supplements while maintaining normal publication levels for our regular eight DAILY REPORT volumes is all the more impressive.

2. We would like to offer special thanks to  who served as our contact with P&PG. He was extremely helpful in coordinating the publication of the supplements and in providing information necessary to our planning process.

STAT

3. Due to your service-oriented approach, we were able to score two firsts within the context of this event: The presentation of photographs in the DAILY REPORT, and publication of the largest single volume in our history.

4. You have our genuine appreciation.
